Luis,

This email and close-out letter (see attached) is to inform you that we (PG Environmental, LLC) have completed all of the technical work assigned to us for Compliance Evaluation Inspection (CEI) and Pre-treatment support for Fiscal Year 2012/2013. Over the course of the year we provided you with CEI reports and pretreatment deliverables via email as they were delivered to the state and regional water boards. We have compiled two CDs containing the final documents. The first CD contains CEI documents, including the final reports, the most recent monthly progress report for Task Order 25, and a list of all of the CEIs including the date of the inspection, name of the inspector, etc. The second CD contains pretreatment deliverables. The CDs are being sent via FedEx today and should arrive by Tuesday, September 3, 2013. If you do not receive the package, please don't hesitate to contact me. I am also forwarding a copy of the entire package and close-out letter to Phil Isorena with the State Water Board for their reference.

We thank you for the opportunity to assist with this important project and look forward to working with you again in the future.

Thanks and have a great holiday weekend!

Max
